

You are invited to join a new project exploring the oral history of Eel Pie Island, the music, the boatyards, rowing club, yacht club, artists and everyday lives of those who have lived on and visited the island. You will be part of a team of local people who will work together, with support and training, to research this history and record interviews with people about Eel Pie.

If you ever lived on Eel Pie Island, or do now, or if you have memories of visiting, we would like to record your memories for this project.
